

PLAN 800-S1-3446

Great things often come in small packages as is the case with this plan. This 2-bedroom, 1 bath house measures in at only 800 sq. ft. but packs an array of features including a large front and back porch, large living room, and even a kneespace in the kitchen. To add to the classic cottage look, a cupola sits atop the gabled roof.

SQUARE FOOTAGES

Living Area	800 sq ft
